It was brought up that Derby Week is not a good time to have
the Spring meeting of GODORT. Perhaps in the future this can
be taken into consideration when planning the time of the
Spring Meeting.

NEWS/UPDATES:

Committee to Revise the State Plan for Federal Depository
Libraries: Roxanna Jones reported that the committee
has been working hard and that the deadline of February
1990, set by the Regional Depository Librarian, will be
met. The committee will meet while at KLA and once
again on November 14th at EKU. Draft copies will be
sent to each depository librarian and their directors
within a week. Any comments, questions, or suggestions
should be addressed to Roxanna by November 3rd.
Roxanna announced that the directory of depository
libraries is being updated and will be included in the
plan as well. Additionally, Roxanna passed out a form
(see attached) to be filled out for inclusion in the
directory.
State Publications AD HOC Committee: Barbara Hale put forth a written recommendation (see attached) that the status of the committee be changed from AD HOC to standing subcommittee. It was moved and seconded that the committee's recommendation be adopted. After discussion about the GODORT Constitution and Bylaws and committee formation, the motion was tabled.

KDRA State Documents Coordinator: Bill Richardson announced that he is now in this position. Bill reported that the Monthly Checklist will continue to be a priority and will continue to be produced. An annual index for 1989 will be available in January of 1990. When state documents are fiched, the accession number from the Monthly Checklist becomes the number on the header of the microfiche. Therefore the annual index becomes an index to the microfiche collection.

A project of the office will be to go back and create annual indexes for 1985-1988.

LOCIS, LC's Online Information System: Sandy McAninch reported that the University of Kentucky is part of LC's pilot project, ROLLUP (Remote Online LOCIS User Pilot). The project started 1 1/2 weeks ago and should last for six months. This project is to test the feasibility of making LOCIS (SCORPIO and MUMS) available to libraries throughout the state. Call Sandy if you have any further questions.

NEW BUSINESS:

AD HOC Committee to Review the GODORT Constitution and Bylaws: This AD HOC Committee was formed as a result of the discussion on changing the status of a committee. The charge of the committee is to review the GODORT Constitution and Bylaws with respect to creating standing committees. Bill Richardson, Roxanna Jones, and Cindy Etkin volunteered to serve on this committee. They will report at the Spring 1990 meeting of GODORT.

Election of Officers: Tara Cooper of Union College was elected Secretary/Treasurer. Cindy Etkin of EKU was elected Chair of the Roundtable. Their terms will expire in the fall of 1991.

Economic Census Program: Vernon Smith of the State Data Center will give a presentation on the 1987 Economic Census immediately following the business meeting.
NEXT MEETING:

The next meeting of the Government Documents Roundtable will be held in the Spring at Kentucky State University.

The meeting adjourned at 10:00 am.

Respectfully submitted,

Cynthia Etkin
Secretary/Treasurer
Government Documents Roundtable
Kentucky Library Association
MEMORANDUM

TO: Brenda Fuller, Chair, KLA, Government Documents Roundtable
FROM: Barbara Hale, Chair, Ad Hoc Committee on State Publications
RE: Status of the Committee  DATE: October 10, 1989

The current members of the Ad Hoc Committee on State Publications recommends that the Committee's status be changed from Ad Hoc to a standing committee of the Roundtable.

At the April 18th meeting of the Committee, it was the consensus of the group attending (Barbara Hale, Paul Camarata, Brenda Fuller, Cindy Etkin and Karen McDaniel) that access to state government information in printed or electronic format, its availability, distribution and processing will remain a concern of the documents community for the foreseeable future.

Therefore the Committee recommends revising the Kentucky Library Association, Government Documents Roundtable Constitution and Bylaws, Section V, Committees to include (c) Committee on State Publications. Purpose: (1) to promote access to state government information published in all formats and (2) to act as liaison for depository libraries and the institution having primary responsibility for the collection, indexing and distribution of Kentucky government publications (Kentucky Department for Libraries and Archives).

The Committee noted that membership be composed of KLA members who express interest in government information as well as Roundtable members, with a standing representative of KDLA's state documents section. It was also noted that for continuity members be appointed so that some carry over will exist.

Projects suggested by the current members were: a bibliography of the "10 Best" state documents published during the year, submitted for publication to LET'S TALK DOCUMENTS; a listing of state agencies with offices or persons to contact when requesting copies for deposit; sponsoring a program for presentation at the annual conference.

At this time I respectfully tender my resignation as chair of the Ad Hoc Committee. My responsibilities as an officer of the KLA Interlibrary Loan Roundtable will need to take precedence in the coming year. I will be available to offer advice and support on any concerns where interlibrary loans as a means of resource sharing of government documents is concerned.
